Lesson - 3 Our Sense Organs

Topic -
Sense Organs

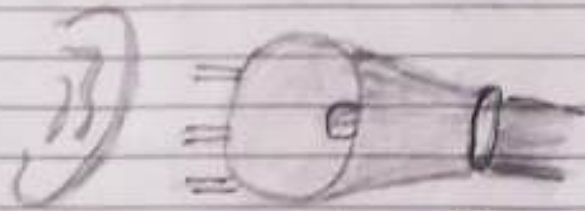

Let us read about our sense organs.

Eyes, Ears, Nose, Tongue and skin are our sense organs.

- Our eyes help us to see the world. We have two eyes.

- Our ears help us to hear all sound around us. We have two ears.

Our ears work all the time, even when we sleep.

- Our nose helps us to smell.

Our tongue helps us to taste food.

Tongue helps to taste bitter, sour, salty and sweet.

Our Skin helps us to feel.

These five sense organs are our windows to the world. They help us to know about the world. We must take care of our sense organs.

H.W.

Read and learn sense organs.
