Lesson - 5 We Help One Another

Introduction and Explanation —

We live in a joint family.
Our family is a happy family.
All family members love each other.
We share our work and help each other.

Work of members in a family —

Father's work — Father works in an office.
He brings milk, vegetables and fruits from the market. He helps in homework.

Mother's Work — Mother is a house wife. She cooks food for the family.

Grand Parents — Grand parents love and take care of children.

Work of Children — Children also help their parents and grand parents.

such as — They keep their room clean and tidy, polish their shoes.
and take care for their grand parents.
Our parent feel very happy when we help them.
