

Read It :-

One day, a dog saw a piece of meat in a shop. He was very hungry. He took it in his mouth and started running home. The shopkeeper ran after him, but could not catch him.

The dog had to cross a river. There was a bridge over the river. The bridge was low. As he looked down into the river, he saw his reflection.

He ~~was~~ thought that there was another dog in the water. He thought the other dog's piece of meat looked bigger. He barked at the other dog. He thought he would get the bigger piece of meat for himself.

When he opened mouth and barked, his piece of meat fell into the river!

The poor dog had to go home without the meat.
